

## Information and Guidelines for Scholarship Applications

The Dallas Scottish Rite Library and Museum, Inc. (Hereinafter Foundation) is a Masonic Program and is an appendent body to the Dallas Scottish Rite Bodies, a Masonic fraternity. The Trustees for the Foundation manage a Charitable Trust, the corpus of which generates funds that are used by the Trustees to fund charitable endeavors such as, a Literacy Program, contributions to the Texas Scottish Rite Hospital for Children, and a graduating high school senior's college scholarship program offering merit-based scholarships to deserving high school graduates. The number of scholarships awarded each year is a function of the Trust. These scholarships will be awarded without regard to sex, race, color, creed, national origin or religion.

The following guidelines are offered to assist student applicants and high school counselors:

1. The scholarship competition is open to graduating high school seniors of the current school year from all schools in the 40 counties of Texas, which are part of the Dallas Scottish Rite membership area. It IS NOT necessary for the applicant or their family to have ties to the Masonic organization.
2. Scholarship value is \$1,000.
3. Every application or submittal is reviewed and graded on a merit/student achievement basis.
4. SAT (or ACT) scores and high school transcripts will be used to determine the academic merit. High school transcripts will be used to determine class ranking and grade point average.
5. Academic references should be from the faculty of the school attended by the student.
6. Personal and academic recommendations must cite specific achievements and activities, as applicable, to the student being recommended.
7. The student should be careful to comply with the Instructions for Application Submittal. The deadline for submittal of applications is February 5, 2016.
8. In order to give considerations to all the school districts in the Dallas Scottish Rite area (40 counties), no more than two scholarships will be awarded to any one individual high school graduation class.
9. Follow instructions accurately. Answer all questions on the application. Assemble application in numerical sequence.
10. Sequence for application
  1. Attach full transcripts from most recent school.
  2. Attach copy of SAT or ACT scores if taken.
