Greetings:

October and November, 2011 were significant months for your Valley.

This newsletter is dedicated to those who received HONORS, to those who received their Blue Caps for 50+ years of service, and to those who have become new 32° Masons, Masters of the Royal Secret!

I can think of no better way to recognize these individuals than to showcase them in a newsletter full of pictures from their events. I wish we could have included many more of the wonderful pictures. We had thousands to sort through. There are no news articles, as we will return to our customary newsletter format in our Holiday Edition.

These are pictures of Masons that we all know and that we all love. We welcome to our Valley family these new Scottish Rite Masons.

- I hope you enjoy the memories of these events, and I trust that you will keep this newsletter as a reminder of these important milestones for each of these Masons.
- Honors Day only happens every two years; our event was October 1st, and included Honorees from Waco, Ft. Worth, El Paso and Lubbock. The Valley of Dallas honored twenty four new Knights Commanders of the Court of Honour and ten new 33° Inspectors General Honorary.
- Our Valley honored twenty one of its own members for 50 years of service to the Scottish Rite on Monday, October 17th. It is rare, indeed, for so many of our “senior” brethren to be present at one time.
- Our Loyd Chance Reunion # 389 is another example of quality men who made the commitment and effort to gain further light.

Congratulations to all these!

Buck

Loyd Leo Chance was a Mason’s Mason. Active in many parts of Masonry, he was well known and respected throughout the United States. I worked with him in many Masonic organizations; he always gave 100%. This 389th Reunion in the 100-year plus history of the Valley of Dallas shows just how much he was respected and appreciated. The most I can say about Loyd is that he was my friend.
